Wedding Contract

Thank you for choosing Salon Pure Stylists for your wedding day hair services. Our work is our passion and you can trust that with the help of our expert stylists your hair will be exactly what you want, flawless.

When you decide to make Salon Pure part of your special day, the first thing we will do is set up a consultation. During your consultation with your hair stylist, you'll have an opportunity to discuss what you are looking for and the details about your wedding day. You will also have a "trial run" during this appointment where your stylist will style your hair as it will be done for the wedding. We recommend you book this appointment 1-2 months before the wedding day. This way when the big day arrives, you can enjoy a stress free experience as we help make your wedding day the way you always dreamed it would be, Perfect!

The complete cost of the bridal services will be quoted upon completion of the forms. Cancellations will not be refunded. Any changes need to be made 30 days in advance. Please complete and return a copy of the following form to Salon Pure.

Helpful Hints/Policy

- We recommend that any client scheduled for an Up-do, wash and blow dry their hair the night before.
- If scheduled for just a blow dry, we will wash hair at the salon (*in salon only*)
- We also advise the bridal party to wear a buttoned-down shirt.
- We recommend coming to the trial appointment with an idea and pictures of the look to achieve.
- Please be sure to arrive 15 minutes prior to your appointment. If you are late, it is possible that full service may not be available.
- We reserve the right to change staff assignments due to scheduling conflicts, vacations, illness and personal changes. If a bride has had consultations, a change of that stylist would occur only under circumstances beyond our control.
